Honorable Judge.

With respect we ask in our family's name to be fair with my brother. We know he did a bad thing in being in this country knowing he was deported. We also know that my brother is not a criminal. He only came here to make a living so that he can provide for my mother and younger sister in Mexico. So we hope that in this coming court you'll feel some compassion on him and my family and send him back to Mexico. That is all we ask of you for the name of our family.

Yours truly:
Familia Madriga Lemus.
